The Third Sector Extended Services Network meets approximately once a term. The meetings take the form of seminars with presentations and discussion groups or workshops. They take place at a variety of venues, mainly in London, and are open to all Third Sector voluntary and community sector organizations and schools and local authorities who might be the commissioners of their services. The aim of these meetings is to provide opportunities for interested organisations to:

- ***Meet with one another and explain what the work that they do with children, families and schools***
- ***Showcase the services they provide and demonstrate what works in supporting children, families and schools***
- ***Share experiences, problems, strategies and solutions***
- ***Raise issues pertaining to voluntary and community organisations working with schools developing extended services and activities.***
- ***Highlight changes in legislation, patterns and trends in the Third Sector***
